Mike James has built a reputation of giving his audiences an unforgettably funny show. His brand of humor fueled by his general confusion of being a husband, father, and just a human being keeps his audiences laughing and himself in very high demand. From comedy clubs and casinos to cruise ships and fortune 500 corporate events, Mike James is able to deliver a fresh and hilarious perspective of life.

Mike has won numerous awards over the years and his background in improvisational performing ensures his audiences get a one of a kind, and very personal performance.

In addition to his on stage performing, Mike has written for Tosh.O, The Daily Show, The Colbert Report, The Tonight Show, and many others.
